

# Albert Einstein in 1955 has warn us about the "Pole Shift" ?

This is what scientist think that will occur in the very near future, a "**Pole Shift**", the earth will find her self in a position in space that only it occurs every **26.000 years**, a certain alignment in the galaxy, what ever the "**Creator**" has decided, no-one can change the out-come, in "**The Montauk Experiment**" they couldn't go beyond **2012 ?**, the satellite "**IRAS**" of **NASA** that was launched on the **26<sup>th</sup> of January 1983** found **Nibiru** the **12<sup>th</sup> planet** of our solar system on the **30<sup>th</sup> of December 1983**, they called it also the "**Red Planet**", every one seems to avoid this issue, next year, from the **15<sup>th</sup> of May** on, **Nibiru** will be started to be seen with the human eye in the Southern Pole, than, the lower country's of the planet, than the country's in the Equator, than the northern country's and finally the hole world will see him in the south in the horizon, **Albert Einstein** have warn us in **1955** about the "**Pole Shift**" in the future !.

After 2012, other unpleasant things will also occur, by this date, the unimaginable has already occur, and still that's not all, by them, those that have survive the "**Pole Shift**" other unimaginable things will occur also, remember that in the last days, hunger will rise on earth and many other prophesies will be accomplish, for more exactitude, referred your selves to the Apocalypses in the Bible.

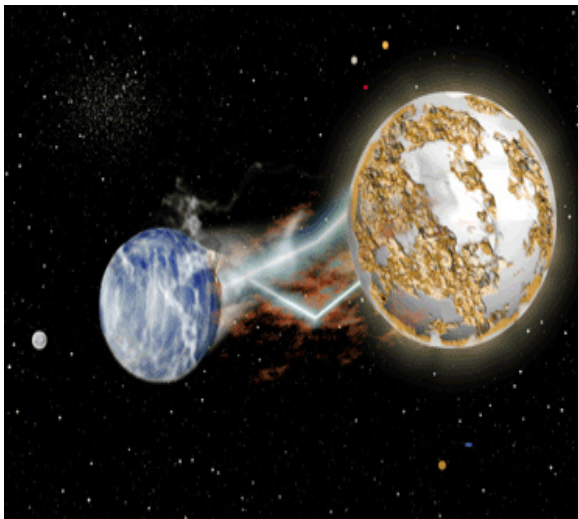

This a picture of **Nibiru** that was taken by the **South Pole Telescope** of **NASA** in the **Amundsen-Scott** base in Antarctica, they called it also the "**Red Planet**" and he's coming back as he has came back every **3.657 years** in the past, it's the end of this chapter, it's the end of this corrupted and pagan civilization, it's the end of all those injustices, is the final episode, I have given warnings many times in my precedents articles, this time, it wouldn't be me that will warn this corrupted world, next year, from the **15<sup>th</sup> of May** on, in the lower part of the planet, **Nibiru** will be seen with the human eye, than, as time passes by, the hole planet will see him in the horizon in the south !.

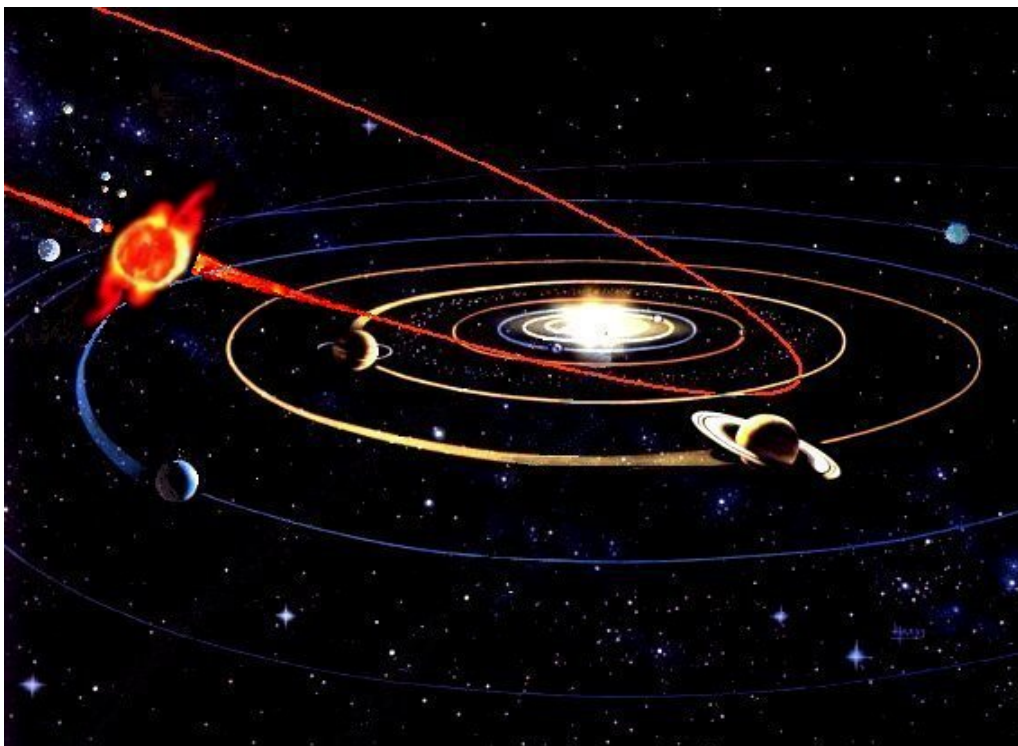

This a picture of an earth quake that according to the predictions is going to occur in 2010 in the **San Andreas** fault line of the United States, the earth is going to have a magnetic pull with the approaching of **Nibiru** and most of the volcano's that are sleeping will suddenly awake and enter in eruption like is going to be with the volcano of "**Las Palmas de Gran Canaria**", "**La Cumbre Vieja**" the last time that this volcano has erupted was in 1948, other catastrophes is expected in Israel that will wipeout  $\pm 9$  million of Jews and Arabs, just compared the size of **Nibiru** and the size of Earth **?**, the picture below shows Earth and **Nibiru**, Earth its on the left and **Nibiru** it's on the right **!**

Once again, **Nibiru** returns, the cycle it repeats it self, he returns to put order in this crazy planet.

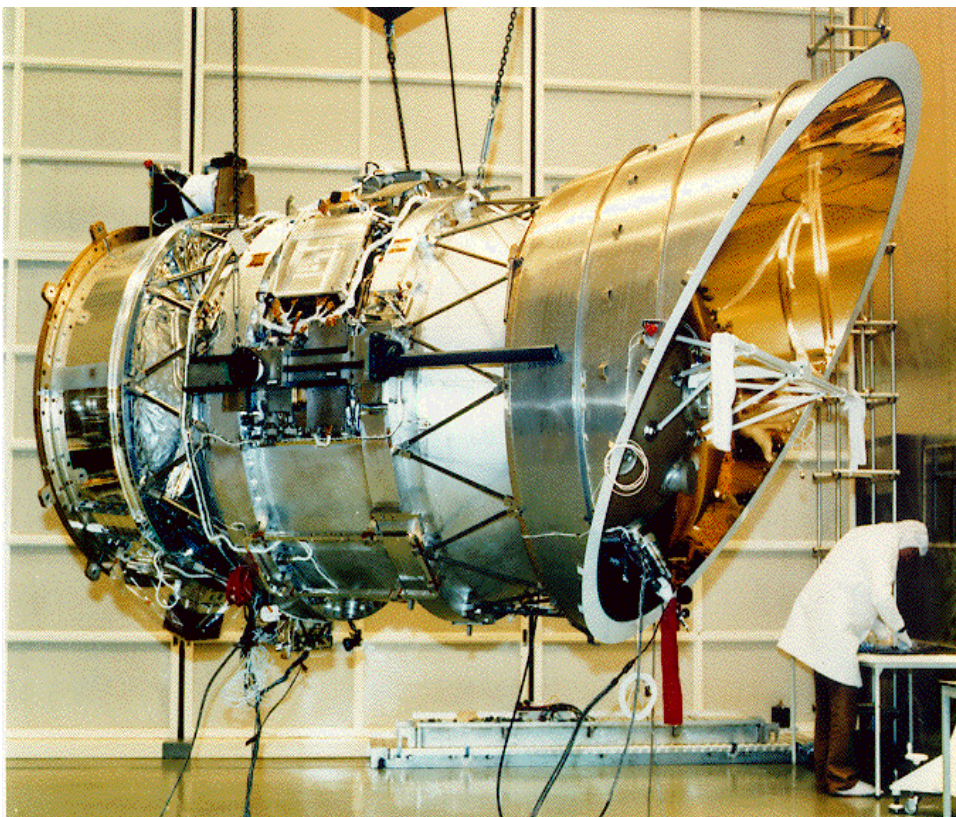

Just take a look at the size of **Nibiru** and the size of our planet, the magnetic pull will be so great that the earth will stand still for several days, no day or no night, during this pull-out, the earths poles will shift position like they did in the past, in Siberia (Russia) not to far ago they have found mammoths with frozen green grass in their mouths, its the end of this crazy era, in the Bible, in "**Genesis 6.4**, *The Nephilims were on earth those days, (the Nephilims means, the "Fallen Ones") and also afterwards when the sons of "Jahweh" went to the daughters of Adam and had children by them*". What it was, will never be once again, a new chapter will start very soon to be written, a while longer and the 1.000 years period will start to be written, **Satan** will be held in jail for a 1.000 years, after that period, once again, back to this kind of shit, until the final **END !**

Below, the trajectory that is expected of **Nibiru** in his next passage in our solar system **!**

Just look at this predicted orbit of **Nibiru** and look at his size compared to the planets in our solar system, things will start to occur very soon **?**, from 2007 until 2012 things will start to occur in an uninspected way, the proof that this has occur in the past can be seen in the earths crust, in Spain, the layers of the earths crust are inclined from **10** hours to **4** hours, this can be seen in the sides of the Spanish highways as you drive thought, this means that the earth in the past has shifted it's actual position, so, once again, **Nibiru** its returning to put order in this corrupted planet **!**

This is the satellite "**IRAS**" under preparation before launching on the **26<sup>th</sup> of January 1983**, on the **30<sup>th</sup> of December 1983** they found the 12<sup>th</sup> planet that was called **Nibiru**, its quite large, we look like a golf ball and **Nibiru** it's like a football ball, the theory has been confirmed since the **30<sup>th</sup> of December 1983** but every one keeps the lead on it, 'cause, there is nothing that any one can do, it's a cycle that repeats it self every **3.657 years**, there are laws that must be respected, you just can't kill people or not apply the laws, **Nibiru** will put order once again in this corrupted planet, it's the final episode, according to the predictions in "**The Bible Code**", a great earth quake will hit Los Angeles in 2010, that's logical with the arrival of **Nibiru !**.

Below, the photo of an Annunaki that lived long ago on this crazy planet, just look at his size.

Long ago, on earth have live creatures up to 12 meters high, those were the **Nephelims**, the Bible refers to one of them as **Goliath**, but, before the last passage of **Nibiru** were others too, the **Sumerians**, the **Annunakis**, the **Akkadians**, the **Hittites**, the **Assyrians**, the **Persians**, the **Phoenicians**, the **Hebrews**, etc .... **!**. There were others civilizations too, like the **Amorites**, but, the outcome indicates the final years of this era, the hypothesis of the 12<sup>th</sup> planet, **NASA** found it in 1983 with the launching of the satellite "**IRAS**", this was kept quite hidden under the rug from 1983 until now **!**.

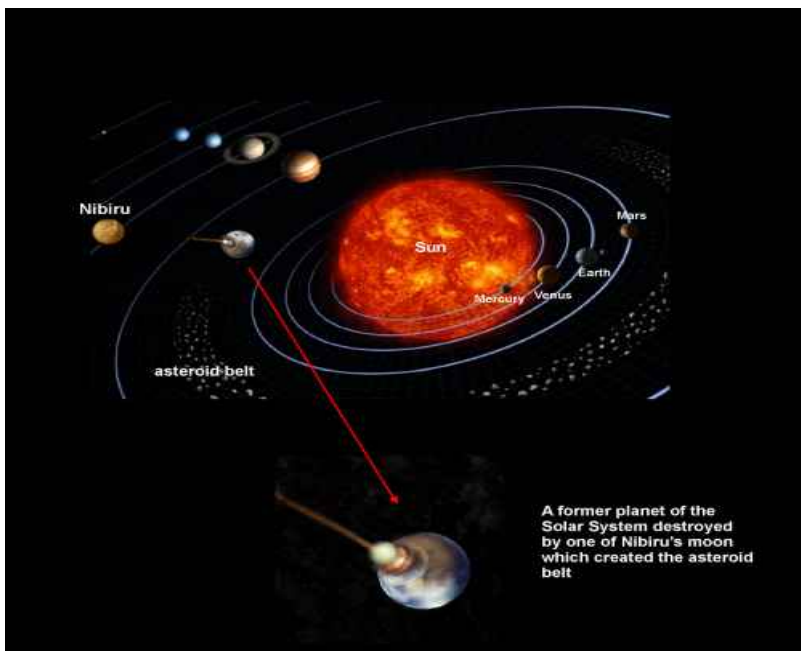

This society will continue until the citizens of this corrupted world will start to see **Nibiru** with their very own eyes in the horizon, in a few moths it will be able to be seen in Antarctica, by the end of 2009, all the country's in the southern hemisphere will be able to see **Nibiru** with their very own eyes, than will be the northern part of the planet and by 2011, every one will be able to see **Nibiru** in the sky, than things will start to get a little nervous, once they realize that the truth it's there and there is noting anyone can do about it, then they will like that a miracle will occur, you were worn, you didn't pay any attention, now, it's time to pay all your dues **?**, below you'll find a map of what's predicted that will occur, no-one can do a dam thing about it, there will be an estimated **10%** of the worlds population that will survive, but, look-up in the Bible what it will occur after wards **?**.

It isn't over yet, only those that were chosen by "**JAWHEW**" will survive, the Bible refers to only **144.000** that will survive, it's pay back time, I do hate to be one of those judges that done injustice towards me that day !.

This is a photo of the site of the antennas that were use in "**The Montauk Experiment**" in the 40's, quite a site for that time, during their experiments, they couldn't go beyond the 2012, you can also look if you wish at "**The Philadelphia Experiment**" if I tell you, you wouldn't believe it, but it had happened decades ago, no-one is going to believe what it has arrived during "**The Philadelphia Experiment**" there're so many things that are hidden under the rug, but hey had arrived long ago, if you had seen ships from another planet, I'll assure you that you'll look things other way, we're not alone !, but, there're things that this corrupted civilization can't do about it ?, one of them is prevent the once again the earths "**Pole Shift**" !.

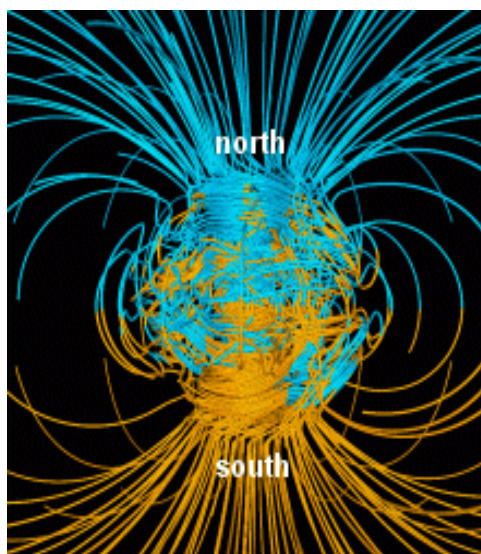

Here below is what scientist thinks that have occur long ago on earth, the destruction of the planet **Maldek**, today he became what its called the asteroid belt !.

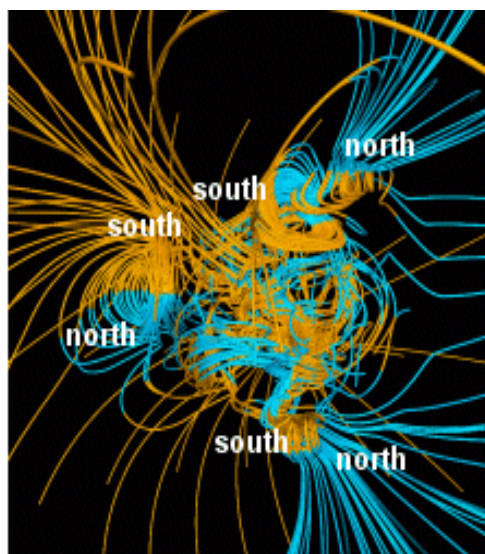

This is what most likely has occur in the past, the destruction of the planet **Maldek** that's today the asteroid belt, its an hypothesis, but it has a part of logic in it, you just can't drive trough **Nibiru** and his 8 moons without breaking anything, what ever, something has occur in the past that the earths pole was shifted from today's pole position, not so long ago in Siberia you could find the must of mammoths in the surface of the ice, everyone knows that the ideal place for mammoths it's not in Siberia, but in some part of the Equator, like today we can find elephants in Africa, so, how they got there ?, like they found sea snails at 6000 meters high in the Everest mountains, how they got up there ?, a "**Pole Shift**" in the past can easily explain it !, and it has its logic !.

In 2008 we can obtain far more information than in the past, this doesn't mean that we're more clever or more clever, this kind of information in the past couldn't be obtain so easily like we can obtain it today, it's a cycle of life, **Nibiru** and his moons returns every 3657 years in our solar system to put order in this corrupted planet, personally I dough it very much that all of them will pass trough without breaking any thing !.

The Bible confirms it, **Isaiah 24:1** "**Behold, the Lord makes the earth empty, and makes it waste, and turns it upside down**".

**between reversals**

**during a reversal**

Scientists are saying that in 2012 there is going to be a solar and terrestrial pole reversal, the picture on the left gives us a little perspective of the polar reversals, a special alignment in the galaxy of planets will occur in 2012, we can also describe it as the final chapter of this corrupted society, the end of this era, I do hate to be one of those judges of the European Court of Human Rights in the next system, there's still the judgment after death before the "**Supreme Judge**" that's waiting for you, it's not over yet, you were warn before it happened !.

This cycle is repeated from thousands of years ago, traces in history can be brought out and proof if it exist in an scientific manner, it can be proven that in the past the earth has change pole position, while I was on holidays in Spain, in the side of the highways can be seen the layers of the crust of the earth that're in an inclined manner, from 10 hours to 4 hours, this means that in the past, the earths pole have change, like mammoths were found in Siberia or sea snails in the Everest mountains at 6000 meters high in the mountains, a new chapter very soon will start to be written, there is no justice in this corrupted planet, see on this **Site**, the corruption that's in the European Court of Humans Rights, two hypothesis, either they are corrupted or Franc-Macon's, either way, they violate the laws of the European Court of Humans Rights, it's a scheme, they should know that today that kind of issues can't be hidden any more today under the rug like in the past !.

**Nibiru** has been also called the "**Winged**" or "**Horned disk in Earth**", we can called him the "**Under-Taker**" he's going to clean all this shit that's on this corrupted planet, he has done it in the past and he's going to do it once again, proof of it can be found in the nature, just look at the earths crust and take a look at how layers are lay-out on the rocks, if you go on holidays to Spain, you'll see in the highways sides that the crust of the earths the layers are lay-out from 10 hours to 4 hours, you'll never find the layers lay-out in a horizontal manner unless in the past has been a "**Pole Shift**", by May 2011 every one will be able to see **Nibiru** !.

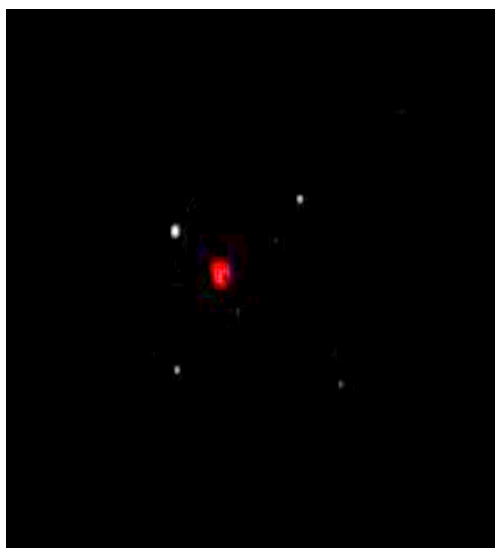

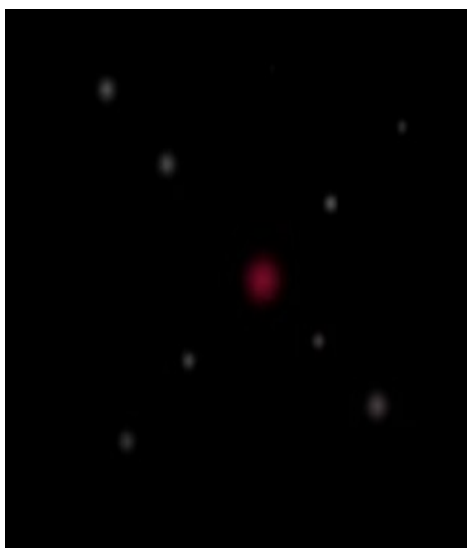

**NASA** has leak out a photo that it's a fake, why try to hide what's obvious and very soon everyone will be able to see it with their very own eyes ?, they try to distort the truth as always is their formula, like they say that they went to the moon 30 years ago, they perhaps landed on the moon, but this was in a Hollywood studio, below is the map that most likely will be in the future, if they're wrong, than the luck is or way, but, if they're right, that most of the today's world population can start kissing their assess good buy, it's a cycle that must occur, with all this kind of crap that it's in this corrupted world, no-one should be astonish, see what's hang-up on this **Site**, even the European Court of Humans Rights, two options, they're corrupted or they're members of a clan Franc-Macon's, either way.

I do hate to be in their places in the next trail after death, it isn't point and next line, there's still the final judgment, there's no corruption, no Franc-Macon's society, boy, those judges in the European Court are sure aren't very clever, we got an appointment before the "**Supreme Judge**", those European judges: **Ireneu Cabral Barreto** (Portuguese), **Danutė Jočienė** (Lithuanian) and **András Sajó** (Hungarian), one day they will ask me to forgive them, too late, you were conscious of your actions as judges in the European Court of Human Rights, now, you must pay for your actions, remember that the Bible gives a warning to those that judge others: "**Those that judge others, you will be judge doubly**" you were worn in advance ?, this time, there isn't a second chance !.

This is what is predicted that most likely will occur after 2012, as you can see in the map, Europe will be wipe-out this can explain the extinction of 90% of the worlds population, every 3657 years the "**Creator**" has predicted to put the counter back to zero, this facts aren't publish or being exposed to the general public, but it's what most likely will occur after 2012, all those injustices, all those wars will be erase quite soon, George Bush Sr was speaking of "**The New World Order**" this is what he ment, but will they still be alive after 2012 ?, it's estimated that **90%** of the worlds population will die, the rest will die afterwards except those **144.000** that were chosen by the "**Creator**" !.

Below a fake photo on the left and a photo of **Nibiru** on its way with his moons, see the difference ?.

The photo on the (left) was leaked by **NASA**, it's a "**fake**" created by them to make us believed what they wish, the (right) photo is genuine they think that every one is so dum as they are, they never went to the moon 30 years ago, the 11/9 2001 wasn't Osama Bin Laden behind, etc ..... the photo on the left the alignment of the moons are too perfect, trusting the yanky's is like trusting **Satan**, they know that **Nibiru** is arriving and they're hidden the facts from the hole world, why they hide these facts !.

Until **Nibiru** will appeared in the horizon with his moons, the population in the southern country's in the lower hemisphere, very soon will be able to see him with their very own eyes, the books of history are false, with this kind of information they all can be written all once again if there is time left for this planet !.

Why **NASA** is trying so hard to give false information's to the hole world ?, the outcome, they can't do a dam thing about it, look at the map above that's going to be in the future ?, Europe will be nearly all wipe out, that's why very soon Europe will cease to exist, as I have said in my previous articles, with bad materials you just can't build a solid building ?.

Why **NASA** is leaking false pictures to the world, they must think that we're a bunch of morons like they're, they never landed on the moon, they were the authors of 9/11 of 2001, they're the one's that always start some shit somewhere and they put the blame on others ?, they were created on evil, they shall parish on evil, you just can't go against the "**Creator**" ever since the Constitution of the United States was written in 1787, ratified in 1788, and in operation since 1789, they have been always involved or started wars in every possible part of the planet, so, no-one can say that the "**Creator**" is unjust, the governments thorough out the world are assassinating citizens like if it was normal such abominations, so, don't be astonish of the outcome in the very near future !.

Just look in the left map at what's left of the United States, I think that they have done quite a few calculations of the outcome, see what's left of Europe, when I heard politicians make projects after 2012, they make me puke, will there be dry-ground on earth to make projects at that time ?, in the above map, the seed vault of Sweden is under water, if you thinking going to war with "**JAWHEW**", than you're a loser from the start, if people don't respect others and the laws that are in place, how can this pagan and corrupted planet survive ?, I have a moral base, if it's not my, I don't want it, but if it belongs to me, those that don't apply the laws, sooner o later, the outcome will turn against them, you can't say that you were not warn in advance, Belgium you got lots of blood on your hands ?.

Here below is what most likely will look like the map of Europe in the very near future, this is what scientist have come-up that will occur in the very near future, the odds that they're wrong are very slim, see what's already occurring in the South of Spain and in the Northern country's of Africa, this is only the beginning, the worse has yet to come, in every country is the same formula, everyone is corrupted, it's not only in Belgium that this occurs, today it's every where, even in the European Court of Human Rights and in the European Institutions also, these issues will be deal with later on in this **Site !**.

Every government, every authority, every politician in each country with the exception of Finland is corrupted, Finland is number "**ONE**" in justice matters, Belgium you'll find her in the **33<sup>rd</sup>** place, this can give an idea of the corruption that's before the Belgian tribunals today, every thing is a scheme, that's why the Belgian Banks are going down, justice is catching-up with them, and yet, the worse hasn't yet arrived !.

All these has been predicted that will occur today, if you believed all those corrupted politicians, you'll go down with them, is as simple as that, time is running-out, no where to hide, no where to run to, no where to turn to afterwards, its what we can called-it, the end of the line !.

Not too many options are left, all those corrupted lawyers, all those corrupted judges, all those corrupted authorities, politicians or others, you can start already preparing your selves for a very long journey with no return ticket, it's the final epilogue !.

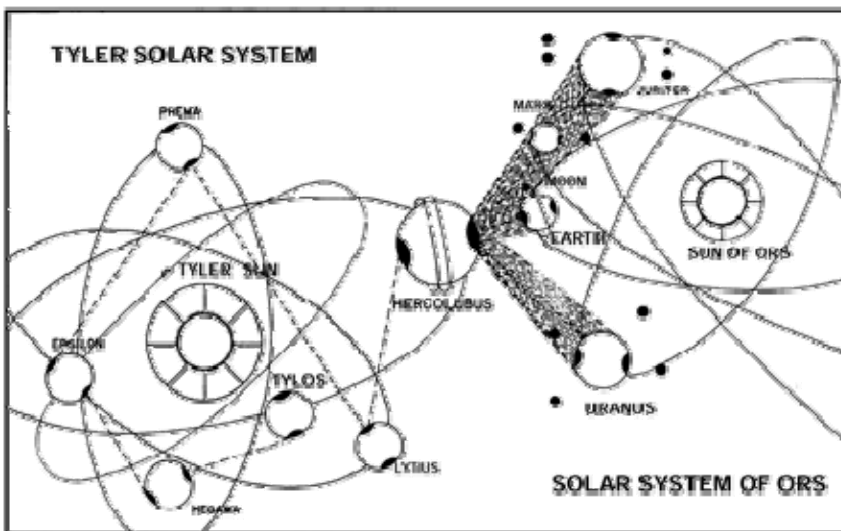

**Here below is what's predicted for the northern regions, specially Europe and Asia !.**

You can see for your selves that very little of Europe is left as dry land, see what is left of the "**Svalbard Global Seed Vault**", unless you'll know where it was, it will be impossible to find and under water, you just can't go against the "**Creator**", about 6 billions people will be erase from the start, those that will survive the "**Pole Shift**" in 2012, there're other tribulations that they must endure, it's written in the Bible, only those that were chosen by the "**Creator**" will survive in the future, why **Google (Space)** has put a black square there where **Nibiru** is right now in space, why they hide it ?.

If the odds will be against what's predicted, than we can celebrate, personally, I dough it very much, it's a cycle of life, every 3.657 years he returns to put order in this shit planet, he as done it in the past and he's going to do it once again, the father of crazy Bush Jr, he can forget about "**The New World Order**", if he thinks that he's smarter than the "**Creator**", than, he's a real ass hole !.

I have given warnings in my precedent articles, Europe will never see the day what she'll archive all her goals, every European Institutions is bloody corrupted, starting with the European Union, the European Parliament and the European Court of Humans Rights, but solution it's very near, if you can't go to Rome, than Rome will come to you !.

**Nibiru** is called also **Hercólubus**, that's the name that they have given him in Spanish, in this picture on the left we can se him that he comes from another solar system called "**Tyler**", perhaps that name you haven't herd of it in the past, every 3657 years he returns with his moons and we're going to see if once again, the earthy will not tilt to a certain degree of angle like it did in the past, it's the **Apocalypses** what's described in the Bible, all this crap that's going on this corrupted world has to end some time, the time is near than ever this time, you can run, but this time you just can't hide ?.

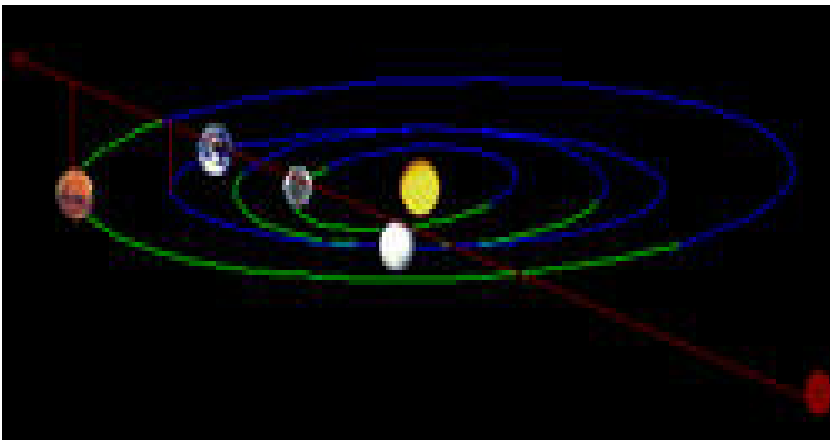

All those crazy and corrupted governments, their time it's nearly up, everything is so bloody corrupted in this pathetic world that makes you puke, even the European Institution are fully corrupted, from each country the most unworthy politicians in each country are the ones that form the Europeans Institutions, take for instance, the European Court of Humans Rights in Strasbourg, from **100** complaints that they received against the European country's, **90%** are not taken into consideration, can all those **90 citizens** that believed in justice be all wrong at the same time or it's a scheme like every thing is in Europe today ?.

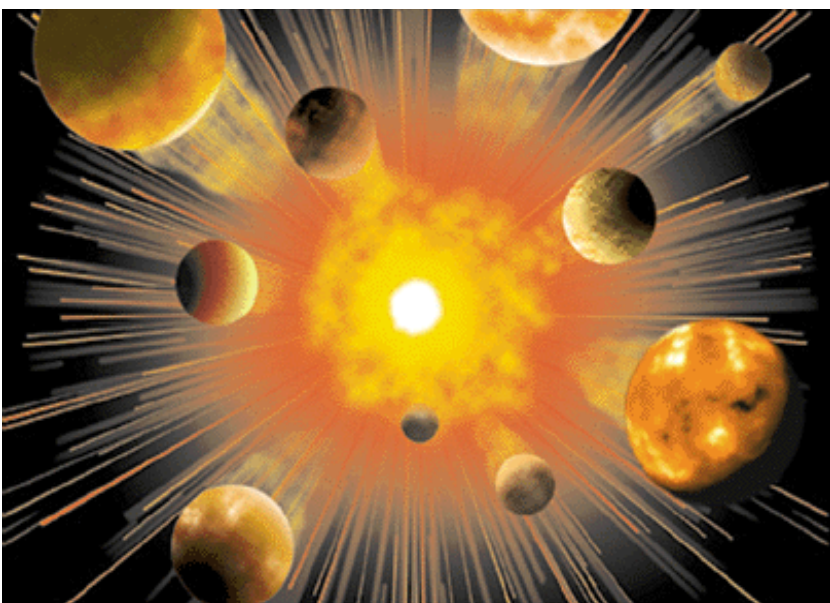

The epic of creation shows clearly that **Marduk** was an invader from outside our solar system passing by the other planets (including Saturn and Jupiter), before colliding with **Tiamat**, the Sumerians called "**Nibiru**", the planet of crossings and the Babylonians version "**The Cross Roads of Heaven and Earth**", if **Marduk** orbit takes it were **Tiamat** once was, relatively near us, (between Mars and Jupiter), why haven't we have seen this planet **?**, witch is supposedly very large and bright, he has an orbit of 3657 years and he's coming back once again to put order in this shit planet, you can run, but this time you just can't hide **!**

Below the suppose trajectory that **Nibiru** will take while passing by our solar system very soon **!**

This is the presume trajectory of the passage of **Nibiru** next time by the end of 2012, something has to occur, it's far to big to go through without not causing any disturbance in the planets in our solar system, he has an elliptical orbit in the solar system of "**Tyler**", that takes him 3.657 years to do a single orbit, each time that he comes by, history starts once again to be written all over again, we got scientific proof of it, all those wars, all those injustices, all those abominations will come to an end very soon.

The "**The Orion Conspiracy**", pyramids under water in Okinawa in Japan, another one was found in the South of Cuba, constructed approximatively 12.000 years ago, this can be trace to the "**Project Rainbow**" there is no doubt that in the very near future, things that will never have been herd before will occur, the Norwegians a while ago started constructing the "**Svalbard Global Seed Vault**", and, if we look at the new presume map of the world, it will be in the very near future under-water.

The destruction of Maldek, Malona, Nibiru called also the 12<sup>th</sup> planet, Lucifer, Phaeton, Tiamat, the Original Atlantis (all the same), between the orbits of Mars and Jupiter, was the single greatest catastrophic event to occur in the history of this solar system, this great interplanetary event, variously placed at between 8.800 and 1.500 BC (the longer dates are unreliable), changed our solar system and all life on it forever, this is the Luciferian rebellion which brought devastation and chaos to our solar system and beyond, there may have actually been two planetary destructions, the fragments of which littered the solar system with asteroid belts, comets, errant moons, and planetary rings.

No one can deny that earth is going through unnormal climatical phases, see the weather in the southern country's of Europe and North Africa, is the beginning of what the Mayans define it as the, "**Current Age**" is the passing through the "**Galactic Plain**" as we approach the Gravitation Plain, things are already starting to happen, the worse is still to come, we know that the earth in the past has shifted the Pole position, this can be seen specially in the highways of Europe, in some country's the ground it's still uncovered by brass, the betas of the earths are all in the same position, from 10 hours to 4 hours.

Everything concords with what we know from the past of the earth, what is written in the Bible it can be proven, the Noah Arch in the Mountain of Ararat in Turkey, the passage of Moses into the Red Sea, science today can prove it, the Sumerians have left us proof of the passage of **Nibiru**, the Mayans have also left us traces of the existence of **Nibiru**, he's returning to put order once again in this shit of planet, the end of corruption, the end of injustices, the end of all this crap, every one is perfectly aware of the arrival of **Nibiru** and they pretend to make us believe in projects that will never occur !.

You can refered your selves to **Jeremiah 25:32** and **48:8** how in the beginning of these era this was already predicted, you can find it in the Bible, **Jeremiah** refers himself as "**The Destroyer**", the one that's going to put order in this crazy planet once again !.

"**The Destroyer**" comes from the south, it seems that the "**Tylor**" sun is above us, see the photos above, what ever is the outcome, it's the final chapter of this era, the Bible refers to it, the **Anunnakis** have left us proof of it, the **Nephelims** have left us proof of it, the **Sumerians** have left us proof of it, proof of the outcome is there, **Nibiru** returns every 3.657 years to put order in this pagan an crazy planet, יהוה will put order once again in this corrupted planet, what ever are your believes, I'll suggest you to start putting your selves in order with the "**Creator**", this time, there's not a second change, if you think that these are words on the air, in 2012 you'll see for your selves if I was giving a warning of were words on the air !.

The first warnings are already there, see what has arrived in South of Spain in the Northern of Africa countries, **Nibiru** is nearer every day, things are already been revealed, there is nothing that any Government can do, it's the final approach, its has occur in the past and will occur very soon, as I have already said in my articles, "**If you can't go to Rome, Rome will come to you**" !.

There's too many injustices, too many wars, too many killings, too many pagan believes, the end of this chapter has nearly come to an end, יהוה has even sent his son to save us all, what we have learn of it ?, nothing at all, the adversary has even put ministers in the Vatican to make us believe that he spreads the world of יהוה but in reality, he's doing the opposite, he's doing what the "**Creator**" have said that we shouldn't do, adore pagan gods !.

This time there's not a second chance, I'm giving you a warning, you'll loose every thing in 2012, even your own soul, see my ordeal with the Belgian Justice Department, every Belgian judge seems to be bloody corrupted, same for the lawyers or medical experts, the same goes for the European Court of Human Rights, it's a bloody joke, they're so bloody corrupted that even the name: "**The European Court of Human Rights**" it's a joke, soon, proof of it will be publish on this **Site**, that's why every thing will come down very soon, believe the politicians and you'll go down with them, it's your own souls that're in stake this time, start putting yours selves in order with he "**Creator**", this time, here will not be a second chance !.
